PRINTED BY THE NEW YORK PRINTING COMPANY,
81, 83, AND 85 CENTRE STREET.
1868.

Sectional Library-
Dept. of Moll. U. S. N. M.
Lea Collection.

THIS Catalogue of the Terrestrial Shells in my Cabinet is printed especially for private reference, and to enable me conveniently to indicate to my correspondents what are my desiderata.

Of very many of the species I have duplicates to offer in exchange.

I propose shortly to publish Catalogues of the Marine and Fluvial species, for the same object.

CATALOGUE

OF THE

Terrestrial Shells
